2014 Dog Races

May 3th / Railroad Park / Main & 6Th

Rules and Regulations

1. There will be a double elimination race with 2 to 5 dogs racing at one time.
2. The winner will advance to another elimination race.
3. Dogs will race in order of their registration.
4. The announcer will call the numbers of the dogs that are to race in each race.
5. Because of the time involved, there will be only a two minute delay between races or the time it takes for the numbers to be called.
6. There is no pushing your dog in order for it to run and there is no reaching out for it at the finish line.
7. The judges will have final say whether a dog is disqualified from a race.
