Dear Parents/Guardians,

Welcome to the Boys & Girls Club family! The Board of the Boys & Girls Club and staff are excited your child/children are members (s). Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens. Thank you for allowing us to provide programs and opportunities for your child at the Boys & Girls Club.

The Club runs Boys & Girls Club of America's Programs. The program areas are Education & Career Development, The Arts, Character & Leadership Development, and Sports, Fitness, and Recreation. Helping youth become successful academically, and develop resiliency, leadership, and social skills is a team effort. The Club is here to support you as parents as well as the schools. The Club relies on parents' support and a mutual and reciprocal dedication to providing a safe and positive environment, dedicated homework areas, and infusing high yield learning activities throughout the program areas for every member.

We are very excited to have the opportunity to work with your child this year! To ensure we are all operating with the same understanding, please review and sign the back page of this handbook indicating your comprehension of all the Boys & Girls Club of El Campo / Palacios' rules and policies. Thank you again for your support and involvement in the Club's programs. Please do not hesitate to ask questions, voice concerns, and GET INVOLVED with your Boys & Girls Club.

Sincerely,
Jill S Hearne
Chief Executive Officer

Any time a law is broken in or around the Boys & Girls Club, or it is suspected that a Club member or guest has broken the law and fled to the Club to avoid the authorities, the police will be notified immediately. The Boys & Girls Club is NOT a haven or refuge for those committing illegal acts or fleeing the authorities.

The Boys & Girls Club strives to keep the consequences for unacceptable behavior clear, appropriate and timely. The safety of all members is of utmost importance to us. Our standards, along with the expectation that all members use good common sense, exist to ensure that your child and every other child at the Club can safely enjoy the Club's activities. Any member who disrupts Club activities or creates a dangerous situation will be disciplined appropriately. Members who do not follow the rules can expect to lose privileges and face the consequences.

The Boys & Girls Club of El Campo / Palacios observes a ZERO TOLERANCE policy on specific inappropriate behaviors. Listed below are infractions that are possible grounds for IMMEDIATE SUSPENSION or PERMANENT EXPULSION based upon the Unit Director or Executive Director's discretion.

- Aggressive Behavior of Any Kind
- Assault (Physical or Verbal)
- Property Damage
- Theft
- Communication of a Threat
- Bullying
- Obscene / Profane Language or Gestures
- Direct Defiance of an Authority Figure
- Possession of a Weapon, Tobacco Products, Alcohol, Narcotics, or Other Intoxicants
- Sexually explicit touching, language, content, or photos
- Gang-related gestures or symbols

First-time offenses are never excused as such and will be handled based on their severity. Parents will be called to immediately remove any member who is behaving aggressively or violently that creates a dangerous situation for themselves, fellow members, staff, or visitors. Parents will also be asked to remove members who continue to be disruptive and inhibits the Club's ability to provide activities and programs for fellow Club members. Should it become necessary to correct and resolve any rule-breaking or dangerous/disruptive behavior, the following procedures will be followed:

- **FIRST OFFENSE***: Verbal Warning (Communication between member and staff when behavior is unacceptable)
- **SECOND OFFENSE***: Time Out (Removal from the specific activity for a short period – usually 5-10 minutes)
- **THIRD OFFENSE***: Incident Report completed, consequence given, a parent notified

*Within one program period or one day.

Examples of consequences include, but are not limited to:

- Clean-up duty
- Exclusion from a particular program area
- Exclusion from field trips or other special activities
- Essays or other writing assignments

If a member's behavior warrants a written Incident Report, the following procedures will be followed:

- **FIRST INCIDENT:** Parent Conference

- **THIRD INCIDENT:** Suspension/Expulsion (Up to 5 days suspension and possible expulsion from the Club)
- **Any incident after the third incident may result in expulsion.**

Members are expected to respond to discipline without incident. Failure to do so will almost always increase any action taken in time or severity. Staff members are trained and fully expected, by policy, to maintain complete control of any situation in their activity area. They will NOT tolerate anything that threatens that control, in appearance and manner. In rare instances when a child is out of control, physical force may protect the member from injuring himself and other members.

Also, please understand that sometimes the story that gets home is not always complete or accurate. Children sometimes tend to explain an incident in a manner that will not implicate them or direct responsibility on them. Also, though well trained and experienced, staff members are human, so please call the Club if you have any questions concerning disciplinary measures or any other Club activity. Your support and involvement as the parent/guardian are vital to our success as youth development professionals. The Club also makes available to parents a formal complaint form. This form is provided with the membership application and upon request at the front desk.

**Parents are held to the same code of ethics as the members. Any misconduct may result in revoking their child's membership.

Funding

The Club is a nonprofit organization that offers services at a reduced rate of 10%. The Boys & Girls Club Board and staff work diligently to ensure these services through partnerships with Foundations, Matagorda County United Way, Federal, and State Grants, Individuals, and Local Businesses. Our community is invested in your child's future. Our goal is to have every member who walks through our doors walk out with tools to graduate from high school with a plan for their future (college, trade school, military, or employment), to be an active member in their community, and live a life devoted to fitness while making healthy life choices.

Sports Leagues: Parent/Player Code of Conduct

Any parent or spectator is guilty of improper conduct at any game or practice will be asked to leave the facility and be suspended from the next game. Repeat violations may cause a multiple-game suspension or the season forfeiture of the privilege of attending all games.

Character-building and ethics:

- | | |
|--------------------|---------------------|
| ☺ Trustworthiness, | ☺ Fairness, |
| ☺ Respect, | ☺ Caring, and |
| ☺ Responsibility, | ☺ Good Citizenship. |

The highest potential of sports is achieved when competition reflects these "six pillars of character."

Please adhere to the following:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect my child's safety or the safety of others.
4. I will learn the rules of the game and the policies of the league.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy and demonstrating positive support for all players, coaches, officials, and spectators at every game, practice, or another sporting event.

6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent, such as booing and taunting, refusing to shake hands, or using profane language or gestures.
7. I will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
8. I will teach my child to play by the rules and resolve conflicts without resorting to hostility or violence.
9. I will demand that my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex, or ability.
10. I will teach my child that doing one's best is more important than winning so that my child will never feel defeated by the outcome of a game or his/her performance.
11. I will praise my child for competing fairly and trying hard and making my child feel like a winner every time.
12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
13. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.
14. I will promote the participants' emotional and physical well-being ahead of any personal desire I may have for my child to win.

15. I will respect the officials and their authority during games and never question, discuss, or confront coaches. I will speak with coaches and league administrators at an agreed-upon time and place away from the participant.
16. I will refrain from coaching my child or other players during games and practices unless I am one of the team's official coaches.
17. I will do my best to follow the Golden Rule of sports by treating all of my teammates, coaches, opposing players, and fans as I want to be treated myself: WITH RESPECT
18. Referees will show a yellow card to anyone exhibiting inappropriate behaviors. Inappropriate behavior includes cussing, yelling, verbal threats, physical aggressiveness, and any other unsportsmanlike conduct.
19. Referees will show a red card to anyone who did not heed the yellow card or to excessive negative behaviors as to their discretions. IF YOU RECEIVE A RED CARD, LEAVE THE PREMISES IMMEDIATELY.

CHILD SAFETY POLICIES

The Safety and Well-being of Young People is Our Number One Priority: We work every day to create a safe, fun environment so kids can have every opportunity to be successful in life. We have ZERO tolerance for inappropriate behavior of any kind, including child sexual abuse or misconduct, and we provide significant resources to ensure this priority is achieved.

Culture of Safety: Boys & Girls Clubs of El Campo / Palacios continually update robust safety policies, programs, and training for our staff and volunteers. These policies are designed to promote child safety and protect young people from threats present in our society.

Safety Policies: Boys & Girls Clubs of El Campo / Palacios have comprehensive safety policies in place that protect youth, including, but not limited to, supervision, transportation, and communication and prohibiting one-on-one contact with anyone under the age of 18.

Non-Fraternization Policy: Club employees and adult volunteers are prohibited from exchanging personal phone numbers, texting or calling, having any contact with Club Members and Minor Volunteers on social media or gamine, and having any personal interaction outside of the Club.

24-hour Toll-Free Child Safety Hotline: We require all staff, members, and families to report any incident or situation they feel is unsafe. Through our national partnership with Presidium, one of the nation's leading safety experts, Boys & Girls Clubs of El Campo / Palacios members and staff have access to a confidential 24-hour, toll-free Child safety Hotline, [866-607-SAFE \(7233\)](tel:866-607-SAFE) or email SafeClub@Praesidiuminc.com.

Mandatory Background & Drug Testing Checks: Conduct criminal background checks every 12 months of all employees, as well as all volunteers who have direct, repetitive contact with children. Background checks must also meet the Boys & Girls Clubs of America (BGCA) membership requirements. In addition, BGCBC is a "drug-free" workplace. All prospective employees are pre-screened by drug testing before hire.

Safe Passage Policy: We require all members to scan in and out each day with their Membership card. In addition, members may not leave the club unescorted and only with the authorized persons listed on their membership application.

Required Immediate Reporting: Boys & Girls Clubs of El Campo / Palacios staff and volunteers are all mandated reporters. We are required to report any critical incident/safety concern to local authorities immediately. We are also required to report any critical incident to Boys & Girls Clubs of America within 24 hours.

Mandatory Annual Safety Assessments: We conduct a safety assessment each year to ensure we continually improve our Clubs' safety.

Safety Training: Ongoing training and supervision of staff are critical. We participate in a wide variety of child safety training each year. We also engage leading experts to provide guidance for our policies and procedures.

Safety Committee: Boys & Girls Clubs of El Campo / Palacios has a dedicated safety committee to provide input and guidance on local policies and safety strategies.

State and Local Laws: We comply with federal, state, and local safety laws, including those impacting facilities and vehicles.

Safety Partnerships: Locally, we partner with local law enforcement agencies where our clubs are located and various outside agencies committed to protecting our youth.

Nationally, Boys & Girls Clubs of America works with leading experts in the areas of safety, security, and technology to develop state-of-the-art solutions for Clubs. Partners include:

- National Child Safety Advisory Task Force, made up of leading experts and organizations

- Mental Health First Aid is a national program that teaches skills to recognize and respond to mental illness and substance abuse signs.
- Crisis Text Line, a confidential text message service for youth in times of crisis.

Boys & Girls Clubs of America has advocated the passage of the U.S. PROTECT Act, which improved background screening systems and access. The national organization has also partnered with the FBI, the National Center for Missing & Exploited Children, and the Centers for Disease Control to contribute to the development of safety practices that benefit ALL youth-serving organizations.

America's young people deserve nothing less than our constant focus on their safety and our firm commitment to protecting every child entrusted to our care at the Boys & Girls Clubs of El Campo / Palacios. Electronic Devices:

The Club will not be held liable for devices. Members are asked to keep cell phones & electronic devices off while on Club property or attending Club activities. The use of electronic devices to capture images is strictly prohibited. Cell phones will be taken from members noncompliant. It is best not to bring them to Club. Parents can call children on our landline at 979-543-8320.

Acceptable Use Policy defines the appropriate use of computer equipment and the internet for both staff and members, assigned by each staff member and placed in their membership file.

Responsible Computer Use Guidelines for Members

Boys & Girls Clubs' computer network and internet access are available to members to enhance their educational experience and help them become literate in an increasingly technological world.

The purpose of this Acceptable Use Policy is to foster the appropriate use of that network, email, and the internet. The following guidelines apply to all users whenever they access any of the Clubs' network connections.

Educational Purpose

The Clubs' network has been established for educational purposes limited to classroom activities, school-to-career development, program enhancement, and scholastic research on appropriate subjects.

The Clubs' network has not been established as a public access service or a public forum. The Club has the right to place reasonable restrictions on the material member's access or post through the system. Members are expected to follow this Acceptable Use Policy (as well as other Club rules and policies applicable to members) when in the Technology Center or accessing the network.

The Clubs' network is considered a limited forum, similar to a school, and, therefore, the Club reserves the right to regulate that forum for valid educational reasons.

You should expect only limited privacy with the content of your personal files on the Clubs' network. This situation is similar to the rights you have in the privacy of your locker at school.

The Club reserves the right to search your files if there is a reasonable suspicion you violated this Acceptable Use Policy, Club rules, and policies, or the law.

Unacceptable Uses and Personal Safety

You must not post personal contact information about yourself or other people. Personal contact information includes (but is not limited to) home, school, or work addresses; telephone numbers; and email addresses.

You must never agree to meet with someone you have met online without your parent's approval. A parent or guardian should always accompany you to such meetings.

You must promptly disclose to a Club staff member any message you receive that is inappropriate or makes you feel uncomfortable.

Any inappropriate use of a personally owned device, as determined by Club staff, can lead to disciplinary action including, but not limited to, confiscation of the device, immediate suspension from the Club, termination of membership, or other disciplinary actions determined to be appropriate to the Club's existing disciplinary policies including, if applicable, referral to local law enforcement.

Illegal Activities

You must not attempt to gain unauthorized access to the Clubs' network or any other computer system through the Clubs' network. This includes attempting to log in through another person's account or accessing another person's files. These actions are illegal, even if only for the purpose of "browsing."

You must not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses. You must not use the Clubs' network to engage in any illegal act, including, but not limited to, arranging for the purchase or sale of alcohol, tobacco, or other drugs; engaging in criminal activity; or threatening the safety of another person.

System Security

You are responsible for your user account and should take all reasonable precautions to prevent others from using your account. Under no circumstances should you provide your password to another person.

You must immediately notify a Club staff member if you have identified or witnessed a possible security problem.

Do not look for security problems because this may be construed as an illegal attempt to gain access.

Inappropriate Use

Members may not use the Club's network to engage in any illegal act, including, but not limited to, arranging for the purchase or sale of alcohol, tobacco, or other drugs, engaging in criminal activity, or threatening the safety of another person. Members may not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses.

Restrictions against inappropriate use apply to public messages, private messages, and material posted on web pages. Members may not use any technology to harass, threaten, demean, humiliate, intimidate, embarrass, or annoy their peers or others in their community.

This behavior is cyberbullying, which is bullying that takes place using emerging technologies and devices. Examples of cyberbullying include mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites or fake profiles. Any cyberbullying that is determined to disrupt the safety

and/or well-being of the Club, Club member, Club staff, or community is subject to disciplinary action.

The following are not permitted:

- Sending or displaying unkind or offensive messages or pictures, pornography or hate literature
- Using unkind or obscene language
- Harassing, insulting, or attacking others
- Intentionally damaging computers, computer systems, or computer networks
- Violating copyright laws
- Using another person's password
- Trespassing into another person's folders, work, or files
- Intentionally wasting limited resources (i.e., distributing mass email messages, participating in chain letters, creating or participating in unauthorized newsgroups, and storing files on file servers without proper authorization)
- Employing the network for commercial purposes, political activities, or lobbying
- Installing additional software without prior approval
- Using portal or proxy websites

If a member is told to stop sending communications, that member must cease the activity immediately. Violations may result in the loss of access, as well as other disciplinary or legal action.

Parental notification and responsibility

While Boys & Girls Clubs Internet Acceptable Use Policy restricts access to inappropriate material, supervision of internet users might not always be possible. Due to the wide range of materials available on the internet, some materials might not fit the particular values of members and their families. Because of this, it is not considered practical for the Club to monitor and enforce a wide range of social values in student use of the internet. If parents/guardians do not want members to access information beyond the scope of the Internet Acceptable Use Policy, they should instruct members not to access such materials.

Loss and damage

Members are responsible for keeping devices with them at all times. Staff is not responsible for the security and condition of the member's personal device. Furthermore, the Club is not liable for the loss, damage, misuse, or theft of any personally owned device brought to the Club.

Monitoring and inspection.

Boys & Girls Club reserves the right to monitor, inspect, copy and review internet activity at the Club. Parents/Guardians may refuse to allow such inspections. If so, the member may be barred from using the internet at the Club.

Members must comply with staff requests to shut down or turn off devices when asked. Failure to do so may result in the member being barred from using the internet in the future.

Respect for Privacy

Members may not use their devices to record, transmit or post pictures, videos, or other information about a person or persons at the Club. Nor can any images, videos, or other information recorded at the Club be transmitted or posted at any time without the express permission of Club staff.

You must not re-post a message sent to you privately without the permission of the person who sent the message.

You must not post private information about another person.

The Club expressly prohibits using devices in locker rooms, restrooms, and other areas where there is an expectation of privacy.

Digital citizenship

Club members shall conduct themselves online to align with the Boys & Girls Clubs Code of Conduct. The same rules and guidelines members are expected to follow offline (i.e., in the real world) shall also be followed when online. Should a member behave online in a manner that violates the Boys & Girls Clubs Code of Conduct, that member shall face the same discipline policy and actions they would if their behavior had happened within the physical Club environment.

Disciplinary Actions

Members who violate the Acceptable Use Policy may be denied future internet and/or network privileges for a defined period of time and may be subject to other disciplinary measures set forth by Club policies.
